POST OFFICE NOTIFICATION The constant changing of the Chinese cent to the Post Office for Correspondence on the arrival of Mails has rendered it necessary to make a rule that no Correspondence shall be delivered to Coolies who are not furnished with an authority from their Employers. It is suggested however, for botter identification and to svoid the necessity for written authorities on each occasion, that Borholders thould fornish themselves with Metal Badges bearing their names in English and Chinese, which Badgos should be worn by the Coolies on the right arm when applying for correspondence.
